

Well that's 13 excuses for not becoming a Parish Councillor.
Here's why you *should* apply to become a **HASLINGFIELD PARISH COUNCILLOR**

We need more help with managing village affairs.

It doesn't matter if we don't always agree, it may well be to the villagers' advantage to hear different points of view. Each issue is voted on by all Councillors before a decision is taken.

The more Parish Councillors there are, and we can have up to eleven, the wider the range of views and opinions, which will make us a better and stronger team.

If you are interested in joining then please contact Frances Laville, Parish Clerk, 01223 264360 haslingfieldparishclerk@gmail.com

The council meets on the second Monday evening of each month in the Village Hall. It is responsible for advising SCDC on planning issues, managing the parish budget, the Village Centre, the Skate-park, Play Area and Recreation grounds, footpaths, environmental issues, risk assessments, police liaison and much more.
