Register your scheme with National NHW!

Help people in your area find you easily and join a mutually supportive network of schemes and individuals nationwide.

This national NHW site isn't about taking control of Neighbourhood Watch schemes nationwide, rather it's intended to act as a hub where people can make contact and find helpful information. When you register your Neighbourhood Watch you'll make it much easier for people in your area to find it through our site using our scheme search. You'll also become part of a network of schemes across England and Wales, making it easier to share information, exchange ideas and even ask for help if necessary. To register your scheme click [here](#) or visit www.mynhw.co.uk for more information

Cambridgeshire NHW AGM Meeting

The AGM Meeting was held on the 13th October at the Police Headquarters in Huntingdon where over 50 people attended, which the members of the Cambridgeshire NHW Group thought was an excellent turn-out given that the Police Headquarters isn't centrally located. The meeting started with a speech delivered by the new Chief Constable, Simon Parr. You can listen to, or read a copy, of the Chief's speech by visiting the

Cambridgeshire Constabulary website at <https://www.cambs-police.co.uk/crimeprevention/nhw/> or you can listen to the speech at the bottom of the homepage on Cambridgeshire NHW Group's website at www.cambsnhw.org.uk

A copy of the minutes from the AGM will be published on the Cambridgeshire NHW website in due course

Contribute to the Cambridgeshire NHW Group

The Cambridgeshire NHW Group would really like to hear from Co-ordinators about what materials you have produced locally which have helped you set-up or support your NHW scheme. An example of this would be any recruitment letters you have used for your scheme, any letters to new residents moving into an area or any advertising posters that you have produced. The Cambridgeshire NHW Group would then love to use these to put on the website as an aid to new Co-ordinators who don't always know how to get started.

The Cambridgeshire NHW Group would also like to hear some feedback about their website, www.cambsnhw.org.uk, so that they can make it more user-friendly and contain more information that you as a Co-ordinator would find useful.

If you would like to offer any feedback or examples of your materials, you can contact the Cambridgeshire NHW Group on the 'Contact Us' page on the website (as listed above) or you can contact Vic Nickson (a Southern Division representative on the Cambridgeshire NHW Group) on 01763 246778, or email him at vic.nickson@btinternet.com
