

A14 and M11 essential works

Happy New Year!

Our contractors Balfour Beatty are making good progress on our A14 and M11 programme of essential works. They've completed resurfacing of the A14 junctions 29-31 and the majority of the resurfacing at junctions 26-29. They are on schedule to complete the rest by 8 January. Embankment works at A1307 Huntingdon road are also on track.

The recent heavy rain meant we had to postpone work on the M11 junction 13 southbound entry slip road. We'll reschedule in early 2016.

Here's the current schedule of works that Balfour Beatty are carrying out on behalf of Highways England. Remember schedules may change at short notice, for example due to bad weather.

Eastbound local traffic will be diverted off at junction 32 and then south on the B1049 turning left on to Kings hedges Road heading east to the A1309 Milton Road North on Milton Road to the A14 junction 33 for the A10 north.
11 Jan 2015 for 8 weeks	A14 junctions 31 to 34	Central reservation barrier renewal	Overnight lane two closures in both directions - no diversion required.

Thank you for signing up to stay informed about the A14 and M11 Essential works. We'll do our utmost to complete these works quickly, avoid disturbance and keep noise to a minimum.

Once complete, the work will result in a smoother and safer A14, better bridges, and clearer directions to Addenbrookes Hospital.
