

Traffic Calming – the next stage

Wednesday 30th November gave many of you a chance to voice your opinions on traffic calming in the Village. We currently have about 35 completed questionnaires and we hope that we will get more. If you want to comment, please return your questionnaire to a Parish Councillor by 31 December. These will then be analysed and discussed on the 9th January 2017 at the Parish Council meeting.

We now need to go onto the next stage, and would like to form a small working party, ideally one representative per area. We will start at re-looking at Barton Road and, perhaps, in parallel look at other areas.

John Miller has very kindly offered to lead the team; John has assisted us in the past with working with Skanska and has been successful in raising Local Highways Initiative grants from CCC.

We now need volunteers to join the team. Would you be prepared to offer your help? The next stage must be in place by May 2017 to ensure that we can get the £10,000 government grant.

So, if you are interested and

- live in Haslingfield
- are prepared to meet on a regular basis
- are willing to listen to other people's views and possibly modify yours, then we would love to hear from you.
