

Haslingfield Parish Council

Mission Statement

Haslingfield Parish Council is committed to maintaining and improving quality of life for the whole community across the generations.

Objectives

- To represent the interests and aspirations of the residents for the good of the community.
- To enable and provide a high standard of cost-effective services within the village.
- To listen to the views and wishes of the community and to liaise with residents to understand their needs.
- To explain the requirements and limitations to address those needs within the powers and resources of the Council.
- To communicate in an open, honest and transparent manner.
- To encourage and promote community values and services and support healthy living.
- To respect and care for the environment and protect our heritage.
