The Vintage Sports Car Club (www.vfcc.co.uk) was founded 85 years ago, has over 6000 members and runs various events for members and public spectators throughout the year. The cars, which are all pre-WW2 or 1950s classics (so around 60 to 100 years old), are driven by members who cherish them. The club is organising a Herts/Cambs Navigation Rally for such cars during the daylight hours of June 22 (Saturday) 2019.

As far as we know this is the first VSCC Rally in this area for 25 years or so. The rally is a test of navigational skill and NOT one where the fastest wins. Average speeds, depending on class of navigator, fall between 18 and 24 mph according to nature of the roads in each section. Cars are not noisy and are driven with consideration.

The cars (no more than 60 of them, more likely 45) will pass your property that day at about not all in one group but at regular intervals across about 90 minutes. This is quite a photo opportunity perhaps. For info, I include below some photos of typical cars.

The event is being organised in accordance with the Motor Vehicles (Competitions and Trials) Regulations and the general regulations of Motorsport UK. Motor Rallies of this sort are permitted under Motor Vehicles(competition and Trials) Regulations 1969. The Police have been informed of the route. We hope you will enjoy the spectacle of these fine cars in use.

If you need further information, please contact andrew.tarring@vscc.co.uk or the local organiser Jim Dalton on jimdaltan509@gmail.com (phone 07976 612795)
