

Haslingfield Parish Council

Calling all villagers - we need your help!

A recent survey of the trees along New Road by Cambridge County Council has identified the need to remove the Sycamore Tree outside no's 65/67 due to considerable decay and internal cracking.

Cambridge County Council have a policy to replace any felled trees so the Parish Council will welcome any suggestions from residents as to the preferred species and locations to plant two new trees

Please email your suggestions to
clerk@haslingfieldparish.co.uk

or

leave a note in the Village Hall Post-box

the closing date for suggestions is

4 September 2020
