

Haslingfield Needs a Neighbourhood Plan

New planning regulations will allow us to shape the future of our community, but only if we have our own Local Plan.

Please join us for an online information event on **7th June** at **7.30pm**, where Histon resident Jon Pavey will take us through the process of how his community successfully created a plan - and what it has meant for them.

For the Zoom link or to find out more, please contact Lise Jackson: clerk@haslingfieldparish.co.uk
